ADVANCED NURSE PRACTITIONER PRECEPTORSHIP REGISTRATION

If you received this application other than directly from the Division or its official website, the application may be outdated or not an official version. To ensure you have the official version, please contact the Division.

Advanced Nurse Practitioner is defined by statute as "a registered nurse authorized to practice in the state who, because of specialized education and experience, is certified to perform acts of medical diagnosis and the prescription and dispensing of medical, therapeutic, or corrective measures under regulations adopted by the board;" (AS 08.68.850(1))

According to 12 AAC 44.460, the board will, in its discretion, register an applicant to engage in clinical practice in order to complete a course of study based outside of Alaska that meets the requirements of 12 AAC 44.400(a)(1)(A).

An applicant for initial authorization to practice as an advanced nurse practitioner as defined in AS 08.68.850(1) and 12 AAC 44.400

- (1) must have satisfactorily completed
 - (A) a formal accredited graduate educational course of study in nursing that
 - (i) is a minimum of one academic year in length,
 - (ii) prepares registered nurses to perform an expanded role in the delivery of health care;
 - (iii) includes a combination of classroom instruction and a minimum of 500 separate, non-duplicated hours of supervised clinical practice,
 - (iv) If completed on or after January 1, 1998 has distinct course offerings of three graduate credits or more in advanced pathophysiology, advanced pharmacotherapeutics, and advanced physical assessment.

REQUIREMENTS AND PROCEDURES – 12 AAC 44.460

1. Submit a completed application for preceptorship registration and pay the required application fee. The application fee may be later applied towards application for permanent authorization as an Advanced Nurse Practitioner.
2. Verification of a current license in good standing to practice as a registered nurse by this state or another state licensing jurisdiction. (See enclosed form to be sent to another state board of nursing.)
3. Documented evidence of current enrollment in an advance nurse practitioner program. (In-progress transcripts are acceptable or written verification on college stationery sent directly from the nursing program director.)
4. Documented evidence of a preceptorship arrangement to be approved by the board. (Submit a copy of preceptorship agreement.)

CONDITIONS OF PRECEPTORSHIP PROGRAM

A registration expires and must be surrendered to the board 12 months from the date of issue or at the time the preceptorship arrangement is terminated, whichever occurs first.

A registration may be renewed one time if the applicant again meets the requirements of 12 AAC 44.460(b).

The board will, in its discretion, after a hearing under the Administrative Procedure Act (Alaska Statute 44.62), terminate the registration of a person registered under 12 AAC 44.460 who is found to have violated a provision of AS 08.68 or 12 AAC 44.

OTHER INFORMATION

Upon completion of the academic program for advanced nursing practice, you may apply for a temporary nonrenewable permit while waiting to take or receive the results from the national certifying examination. An applicant who fails the certifying examination shall surrender the nonrenewable permit issued under 12 AAC 44.450. However, you must hold a current Alaska registered nurse license. Go to the Board's website at www.nursing.alaska.gov or contact the Alaska Board of Nursing office for an application for Advanced Nurse Practitioner Authorization for further instructions and requirements for the temporary permit.

Please be aware that the denial of an application for licensure may be reported to any person, professional licensing board, federal, state or local government agency, or other entity making a relevant inquiry or as may be required by law.

PROCESSING TIME

Applications will be processed according to the date received and generally within 10 business days. Every effort will be made to process your application in a timely manner. However, **the process will be delayed if the application is incomplete or required documentation is not submitted.** Due to the high volume of applications received by the Board of Nursing, please apply well in advance of when the permit or license is needed. You will be notified in writing as soon as your application has been reviewed.

Wait for your first status letter to reach you before calling the Division to ask for status updates.

SOCIAL SECURITY NUMBERS

Alaska Statute 08.01.060(b) requires an applicant for an occupational license to provide a United States Social Security Number. Applicants who do not have a social security number must complete the Request for Exception from Social Security Number Requirement form located on the board's website at: www.nursing.alaska.gov or contact the Division office for the form.

PAYMENT OF CHILD SUPPORT AND STUDENT LOANS

If the Alaska Child Support Enforcement Division has determined that you are in arrears on child support, or if the Alaska Commission on Postsecondary Education has determined you are in loan default, you may be issued a nonrenewable temporary license valid for 150 days. Contact Child Support Services at (907) 269-6900 or the Postsecondary Education office at (907) 465-2962 or 1-800-441-2962 to resolve payment issues.
